

ASPIRE, ENDEAVOUR, ACHIEVE

September 2017

Dear Parents/Carers

BE GREAT ART CLASSES

‘Be Great’ students are The Victory Academy’s academically gifted students. Your child is part of this select group of gifted students. The Art department would like to help our talented students achieve their highest possible targets by holding some specific ‘Be Great’ art classes.

Sessions will be held within the Art department every Tuesday lunchtime. This will be a small group of KS3 Be Great students working on developing their improving drawing skills and using new techniques. This work will then go towards their class assessments. All equipment and materials will be provided. Our first session will be held on first Tuesday back in Term 2, Tuesday 31st October, sessions will then run weekly during Term 2 and 3.

If you are happy for your child to attend Be Great classes, please complete the permission slip below and return to Miss Walton by the 16th October.

Please do not hesitate to contact me at the Academy if you have any queries.

Yours sincerely

Miss Dawkins
Head of Art
