September 2017

Dear Parents/Carers

BE GREAT ART CLASSES

‘Be Great’ students are The Victory Academy’s academically gifted students. Your child is part of this select group of gifted students. The Art department would like to help our talented students achieve their highest possible targets by holding some specific ‘Be Great’ art classes.

For all subjects there have been a lot of changes within curriculum specifications. The main change within the Art specification is the focus on observational drawing and annotation. I would like to offer your child extra sessions to support them with this.

Sessions will be held within the Art department from 8:00 am to 8.30 am every Thursday morning. This will be a small group of KS4 Be Great students working on developing their written annotations and improving drawing skills. All equipment and materials will be provided. Our first session will be held on first Thursday back in Term 2, Thursday 2nd November.

If you are happy for your child to attend Be Great classes, please complete the permission slip below and return to Miss Dawkins by the 16th October.

Please do not hesitate to contact me at the Academy if you have any queries.

Yours sincerely

Miss Dawkins
Head of Art
