

26 February 2018

Dear Parent/ Carer,

Safer Internet Workshop

Online safety is an important part of keeping children safe at The Victory Academy. Online Safety is taught to all students and our curriculum empowers children to understand and be aware how they can to stay safe and behave appropriately online. However, we can only be successful in keeping children safe online if we work with you.

Your help is needed to talk to your children about how they can keep themselves safe and behave appropriately online. It is important that we are all vigilant when children are using the internet and act to ensure they are protected from people who may pose a risk to them. Children can accidentally or deliberately be exposed to illegal, unwanted or unpleasant content, comments or activity online.

To enable you to ensure your child's safety on the internet at home we would like to offer you the opportunity to attend a parental internet safety workshop. This will take place on 12th March between 6 -7pm in the Quarterdeck. As we are expecting this event to be extremely popular please confirm your attendance using the reply slip as seats will be allocated on a first come first served basis. **This is a parent ONLY event.**

Yours sincerely

Mrs A Pullen
Designated Safeguarding Lead
