

16 June 2020

Dear Parent/Carers,

As you may already know, we encourage your child to use an innovative literacy improvement online website called Bedrock Vocabulary. It is a platform that they practised using in school, and a program they now follow through distance learning. Our aim is for your child to learn a vast range of varied and important academic vocabulary, vocabulary that is important for now and the future.

Did you also know that children with wide vocabularies are more likely to make excellent progress at school and in further education?

As your child progresses through the Bedrock digital curriculum, they will study hundreds of words, whilst reading a wide range of fiction and non-fiction texts regularly. They will also fill in an online vocabulary notebook to practise using this vocabulary, and you can see and edit this yourself!

Why not help your child to make even greater progress by logging on to see how they are getting on? You will be able to see the vocabulary your child is learning, which we encourage you to use in conversation at home. As each post-test is completed, your child's attainment and progress data will appear in your dashboard.

You can head over to the site and create your own account now. Please contact me directly via email if you would like your personal access code. I can be contacted at s.rooks@tsatrust.org.uk

Step 1: Visit <https://app.bedrocklearning.org>.

Step 2: Click on the 'Parent/Teacher' tab.

Step 3: Complete the parent signup sheet and enter the access codes.

Step 4: Check your email for your password, and then log in. Be sure to check your junk folder if no email arrives.

Please do contact me via email if you have any questions or concerns regarding Bedrock.

Kindest regards,

Mr S Rooks
Second in Charge of English
