Year 10 Homework - 'Milestones Homework Reward System'

Dear Parent/Carer

We are writing to you with regards to Year 10 homework.

We have launched a new homework reward system with Year 10 in terms 3 and 4 as part of our culture and habit of homework for students, and revision going into Year 11.

In order to support your child's GCSE journey, there are three 'milestones' where teachers will be updating our centralised homework tracker. This will allow us to monitor how well your child is progressing with homework in each subject. At the end of term 4, the students who have successfully been on track with their homework will be invited to a reward trip in the last week of term. Details of the reward trip will be announced in term 4.

Ultimately, it is important to make the purpose of homework clear to pupils: to increase a specific area of knowledge, or to develop fluency in a particular area. We hope that this reward scheme will encourage more students to engage with the benefits of completing homework.

If you have any further concerns, please feel free to contact me or alternatively Miss Simperl, Assistant Vice Principal KS4 and Student Futures.

Yours sincerely

Mr Carr

Head of Year 10
